The Absolute Thai *Story*

The Absolute Thai Group has grown from a small Thai takeaway shop open by husband and wife team of Kittipos and Arisa Kaewprasit in Sydney in 2002.

The philosophy behind the business was and is still today to provide our guests with authentic Thai cooking without compromise on quality and the use of locally sourced fresh ingredients.

The Absolute Thai group promise is to continue with our long established practise of providing you, our valuable guest, with the most authentic Thai food that is available and served with the traditional and special Thai warmth and friendly service that you have come to expect from us.

We thank you and appreciate your continued patronage and support over the years.
